# Catalyzing Agroforestry Grant Program 2026

The 2026 Catalyzing Agroforestry Grant Program provides direct financial support and technical assistance for **all agroforestry practices** in **all US states**. Using science-based planning strategies, the ultimate goal of this effort is to increase regenerative agriculture, sustainability and diversity by supporting and scaling up agroforestry practices across the United States.

The 2026 Catalyzing Agroforestry Grant Program Application deadline is **March 3, 2026.** Learn more about the program and submit your CAGP application at catalyzingagroforestry.org/cagp.

Alley Cropping - Forest Farming
Food Forests - Riparian Buffers
Silvopasture - Windbreaks

The **Agroforestry Regional Knowledge Exchange Network** (ARKx) is a map and profile based community network that is growing agroforestry resources and knowledge on a national scale. **Learn more, find events, search by region or practice and make an agroforestry profile at:**
