

# 2026 Catalyzing Agroforestry Grant Program (CAGP) Print Application

The Catalyzing Agroforestry Grant Program is an initiative funded by the Edwards Mother Earth Foundation (EMEF). It is managed by Virginia Tech University in partnership with Rural Action, Appalachian Sustainable Development, North Carolina State University, and SilvoCulture. The program provides direct financial support and technical assistance to farmers implementing agroforestry projects. **The Catalyzing Agroforestry Grant Program is currently taking applications and will have a third review in early 2026.**

This grant program will fund agroforestry practices including: alley cropping, urban food forests, forest farming, riparian buffers, silvopasture (poultry and livestock), and windbreaks. It is anticipated that funded projects will be between 1/4 and 12 acres, but all acreage proposals are welcome. General guidelines for agroforestry assistance are as follows, but may vary based upon demonstrated need:

### **Alley cropping, urban food forests, riparian buffers, silvopasture, and windbreaks:**

- Up to \$1,500 per acre for the first 4 acres
- Up to \$1,000 per acre for the second 4 acres
- Up to \$750 per acre for additional establishment beyond 8 acres

### **Forest Farming:**

- Up to \$1,000 per 1/4-acre of planting and up to \$500 per acre for site preparation
- Up to 1 acre funded for planting
- Up to 3 acres funded for site prep

To enhance shared learning, people who receive support will share successes and lessons-learned with their peers and other interested stakeholders through the [Agroforestry Regional Knowledge Exchange Network \(ARKx\)](#). Minority, female, Indigenous farmers and tribal nations, LGBTQ+, socially/economically disadvantaged, and veterans of the armed services are highly encouraged to apply. Agroforestry assistance is available to people in all States except Alaska. Virginia Tech requires a W-9 or W-8 for project reimbursements.

After application review, applicants will be notified of funding decision, followed by a consultation for those accepted. If a proposed project is deemed feasible, funding will be provided at a rate suitable to support completion. Unfunded applications will be retained in the review pool until program funds are exhausted. Please direct questions to Virginia Tech Agroforestry at [\[bpatri8@vt.edu\]](mailto:bpatri8@vt.edu).

**Please note: Your CAGP application will not be complete or reviewed until the Time and Budget Worksheet has been completed. There will be a prompt to upload this document towards the end of the application. (Time & Budget Worksheets can be found at [catalyzingagroforestry.org/cagp](https://catalyzingagroforestry.org/cagp).)**

## **Application Form**

(This application consists of 4 sections and 1 budget worksheet)

[catalyzingagroforestry.org/cagp](https://catalyzingagroforestry.org/cagp)

## Section 1 – Contact Information

Name \_\_\_\_\_

Phone number \_\_\_\_\_ Email \_\_\_\_\_

Street Address \_\_\_\_\_

State \_\_\_\_\_ Zip Code \_\_\_\_\_

Farm Name (if applicable) \_\_\_\_\_

Farm Address (if different from home) \_\_\_\_\_

Farm Acres \_\_\_\_\_

## Section 2 – Agroforestry Project Information

(15 questions, answer to the best of your ability)

For the purposes of this application, agroforestry is defined as the intentional integration of trees and shrubs into crop and animal farming systems to create environmental, economic, and social benefits. It has been practiced in the United States and around the world for centuries. **Funds may be used to prepare sites, purchase planting stock, rent equipment, acquire and install tree protection, and pay contractors.** Funding will not be provided to buy or treat animals, pay for producer time, thin woodlands, or buy large equipment (e.g., augers, all-terrain vehicles, scalpers, tractors). Learn more about agroforestry at [catalyzingagroforestry.org](http://catalyzingagroforestry.org)

### 1. What type of agroforestry systems would you like to install? (Check all that apply)

- |   |  |
|---|--|
| <input type="checkbox"/> Alley cropping                       | <input type="checkbox"/> Urban food forest |
| <input type="checkbox"/> Forest farming                       | <input type="checkbox"/> Windbreaks        |
| <input type="checkbox"/> Riparian forest buffers              | <input type="checkbox"/> Other _____       |
| <input type="checkbox"/> Silvopasture (poultry and livestock) | _____                                      |

### 2. Why do you want to apply for agroforestry funding? (Check all that apply)

- |  |   |
|--|---|
| <input type="checkbox"/> Provide shade for my poultry/livestock                                | <input type="checkbox"/> Trade in carbon or water quality markets |
| <input type="checkbox"/> Provide fodder for my poultry/livestock                               | <input type="checkbox"/> Enhanced biodiversity                    |
| <input type="checkbox"/> Grow timber   | <input type="checkbox"/> Part of business/supplemental income     |
| <input type="checkbox"/> Grow non-timber products (fruits, nuts, or pods, mushroom logs, etc.) | <input type="checkbox"/> Restore degraded site                    |
| <input type="checkbox"/> Reduce soil loss/erosion control                                      | <input type="checkbox"/> Other: _____                             |
| <input type="checkbox"/> Improve how the farm looks  | _____   |

**3. Do you currently farm non-timber forest products underneath a forest canopy?**

- Yes
- No

**4. Do you currently manage poultry/livestock underneath trees and/or shrubs you have planted?**

- Yes
- No

**5. How many years of experience do you have with growing or harvesting non-timber products and/or poultry/livestock production?**

\_\_\_\_\_ Years of experience

**6. If poultry/livestock will be in your agroforestry system - how do you plan to integrate livestock into the agroforestry project you establish? (check all that apply)**

- I don't plan to work with livestock
- Permanently raise animals in the agroforestry
- Regularly rotate animals between the agroforestry and open pastures
- Turn out animals in the agroforestry when needed to reduce pressure
- On open pastures and/or protect animals from harsh weather
- Other \_\_\_\_\_

**7. How many acres would you like to plant for your agroforestry project?**

(Keep in mind the budget guidelines at the beginning of the application. Projects are expected to be between 1/4-12 acres, but larger or smaller acreage is possible.)

\_\_\_\_\_ Acres

**8. List the poultry/livestock, trees, shrubs, and/or non-timber products (e.g. shiitake mushrooms, maple syrup, ginseng, etc.) you would like in your agroforestry project.**

---

---

---

---

---

**9. Where would you like to establish an agroforestry project on the property you own or lease?**

(Please be as specific as possible and provide images as part of your added supporting documentation, designs are also helpful and can be hand drawn.)

---

---

---

---

---

**10. Which products do you hope to sell, if any, from your agroforestry project (raw material, value-added) and what is the plan for bringing products to market?**

- Sell into specialty and value-added markets
- Use to produce my own retail products
- Personal consumption
- Conservation

Other \_\_\_\_\_  
\_\_\_\_\_

**11. Where and when do you intend to get tree and/or shrub planting stock for your agroforestry project?**

---

---

---

---

---

---

---

---

**12. When would you like to start preparing to plant?**

---

---

---

---

---

---

---

---

**13. How will you protect your planting?** (Please be as specific as possible as deer, livestock, and droughts can cause issues)

---

---

---

---

---

---

---

---

**14. Are there any special conservation or water access concerns or potential restrictions that may affect the long-term success of your agroforestry? For example, conservation easements or protected areas, limited or no water access, lease arrangements, or rare or endangered species.**

- No
- Yes (If yes, explain the concern(s) and your plan for managing these issues to ensure they do not affect project success?) \_\_\_\_\_

---

---

## Section 4 – Background Information

(7 questions)

**1. Approximately how much of your work-week is currently spent farming crops and/or raising livestock?** (check only one)

- |                                 |                                  |
|---------------------------------|----------------------------------|
| <input type="checkbox"/> 0-10%  | <input type="checkbox"/> 50-60%  |
| <input type="checkbox"/> 10-20% | <input type="checkbox"/> 60-70%  |
| <input type="checkbox"/> 20-30% | <input type="checkbox"/> 70-80%  |
| <input type="checkbox"/> 30-40% | <input type="checkbox"/> 80-90%  |
| <input type="checkbox"/> 40-50% | <input type="checkbox"/> 90-100% |

**2. Approximately how much of your current annual income comes from farming crops and/or or raising livestock?** (check only one)

- |                                 |                                  |
|---------------------------------|----------------------------------|
| <input type="checkbox"/> 0-10%  | <input type="checkbox"/> 50-60%  |
| <input type="checkbox"/> 10-20% | <input type="checkbox"/> 60-70%  |
| <input type="checkbox"/> 20-30% | <input type="checkbox"/> 70-80%  |
| <input type="checkbox"/> 30-40% | <input type="checkbox"/> 80-90%  |
| <input type="checkbox"/> 40-50% | <input type="checkbox"/> 90-100% |

**3. What was your household's total income before taxes in the previous tax year?**

(check only one)

- |  |  |
|--|--|
| <input type="checkbox"/> Less than \$10,000  | <input type="checkbox"/> \$60,000 - \$74,999   |
| <input type="checkbox"/> \$10,000 - \$19,999 | <input type="checkbox"/> \$75,000 - \$99,999   |
| <input type="checkbox"/> \$20,000 - \$29,999 | <input type="checkbox"/> \$100,000 - \$149,999 |
| <input type="checkbox"/> \$30,000 - \$44,999 | <input type="checkbox"/> \$150,000 or more     |
| <input type="checkbox"/> \$45,000 - \$59,999 |  |

**4. How do you identify?** (check only one)

- Male
- Female
- Neither
- Other \_\_\_\_\_
- Prefer Not to Answer

**5. What is your race/ethnicity?** (check all that apply)

- White
- Hispanic/Latino
- Black/African American
- Native American
- Asian Native Hawaiian or Pacific Islander
- Other \_\_\_\_\_
- Prefer Not to Answer

**6. Are you lesbian, gay, bisexual, or transgender?** (check only one)

- Yes
- No
- Other \_\_\_\_\_
- Prefer Not to Answer

**7. Are you a veteran or member of the armed forces?** (check only one)

- Yes
- No
- Prefer Not to Answer

**8. Do you have a disability?** (check only one)

- Yes
- No
- Prefer Not to Answer

**9. Do you lease the farmland you manage?** (check only one)

- Yes: How long is your current rental arrangement? \_\_\_\_\_ Years
- No

## Appendix – Time and Budget Worksheet and Supporting Documents

### Time and budget worksheet:

Using the worksheet template below, provide a realistic estimated budget based on the cost structure and time frame of the proposed project. Include on-farm items and supplies needed (e.g., trees, tools, contractor fees, etc.). Also estimate the amount of time you will dedicate to the project and indicate an anticipated timeline, or calendar of events.

**\*Find the Time and Budget Worksheet in printable pdf and docx formats [here](#).**

### Photos/Supporting Documents

**Photos:** Attach at least three digital pictures from different angles of the site where you would like to establish agroforestry. Take pictures that demonstrate key features. Provide a short description of each picture and annotate or mark it to highlight important places and site conditions. **Please be sure to label your images with your farm name (e.x. Farm name - silvopasture field 1)**

### Optional Information

You may attach more supporting documents (in addition to pictures) to your application, such as annotated maps or aerial imagery, existing planning documents, business plans, farm newsletters, promotional videos, product lists, and website links. **Please be sure to label your supporting documentation or pdf with your farm name (e.x. Farm name - Silvomap 1)**

**\*If you are able to combine your Supporting Documents Appendix into a single pdf, it would be greatly appreciated.**
