

# AGROFORESTRY REGIONAL KNOWLEDGE EXCHANGE NETWORK

## NATIONAL AGROFORESTRY MAP

Explore layers of agroforestry practices, projects and groups by region, or add your farm or organization to our ever growing map! Technical Service Providers, and Planting Stock Providers coming soon.

## SEARCH AGROFORESTRY PROFILES

ARKx Profiles feature farms, partners, and organizations, success stories and peer-to-peer knowledge, generously shared by the Agroforestry Community. Profile filters are designed to help narrow down search specifics like state, region, agroforestry practices and species.

## NATIONAL AGROFORESTRY CALENDAR

Find an event near you, or share your agroforestry event directly to the ARKx Community Calendar. Our newsletter features regional events, resources, agroforestry opportunities and more.

## AGROFORESTRY RESOURCES

Search through resources like publications, guides, videos, webinar libraries and more, sorted by national, regional, or by agroforestry topic and practice. You may also add your favorite resources to this list
